

# After Inventory Sale

After taking our annual inventory in a stock the size of ours we find many lines badly broken. Often just a few of a kind or only a few sizes left, or a very small yardage in many bolts of different material. We have arranged the particular class of merchandise in lots and sections and on this merchandise we have put prices, in many cases, less than the present wholesale value. Prices that should and will appeal to you all. We will mention only a few of the many different bargains that will be put at your disposal during the sale. Which begins Saturday, morning JAN. 18 and will end Saturday night JAN. 25 at midnight. We urge you one and all to visit us during this sale (whether you want to buy or not and see the many attractive bargains which will be at your disposal. Remember it is no trouble to show goods at our store.
